## The Economic Effects of the Election on the Real Estate Industry

Thursday, November 19, 2020

Program 8:30 – 10:00 a.m.

Our country is in turmoil. Whatever the outcome of the election, our Nation will experience growth or recession based on economic and regulatory policy adopted by the administration. To examine this, REIA has assembled a group of speakers from various areas of our industry to analyze what changes will occur and how we will adjust our business to withstand any impact.

Please join our expert panel for this engaging and informative program. Q & A will follow the presentation.

**Moderators:**
